

**KIRKINTILLOCH LINK ROAD
CONSTRUCTION PHASE
RESIDENTS NEWSLETTER No. 4
13 NOVEMBER 2008**

Dear Resident

I write to update you on the temporary closure of Woodilee Road and to advise you of temporary parking restrictions on Garngaber Avenue.

Update on Temporary Closure of Woodilee Road

It was planned to close Woodilee Road in Lenzie over the weekends of Saturday 15 & Sunday 16 November 2008 and Saturday 22 & Sunday 23 November 2008, to carry out essential works for the construction of the KLR however these closures **have now been cancelled.**

This is due to a combination of:-

- (i) good progress last weekend
- (ii) the discovery of Japanese Knotweed; and
- (iii) a review of how the work in the Woodilee Road area can be completed within programme.

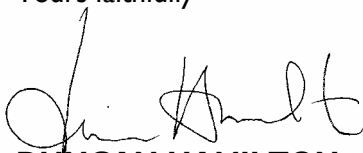

Notification of Temporary Waiting Restrictions on Garngaber Avenue, Woodilee Road and Lomond Road

The width of Garngaber Avenue is currently restricted due to all day commuter parking associated with Lenzie Station. This situation could cause some difficulty for the passage of larger KLR construction vehicles and introduce potential road safety issues associated with vehicles mounting footways etc. As a result from Monday 17 November 2008 until Sunday 16 May 2010 temporary parking restrictions are to be introduced in Garngaber Avenue, Woodilee Road and Lomond Road. The extent of these restrictions is shown on the attached plan.

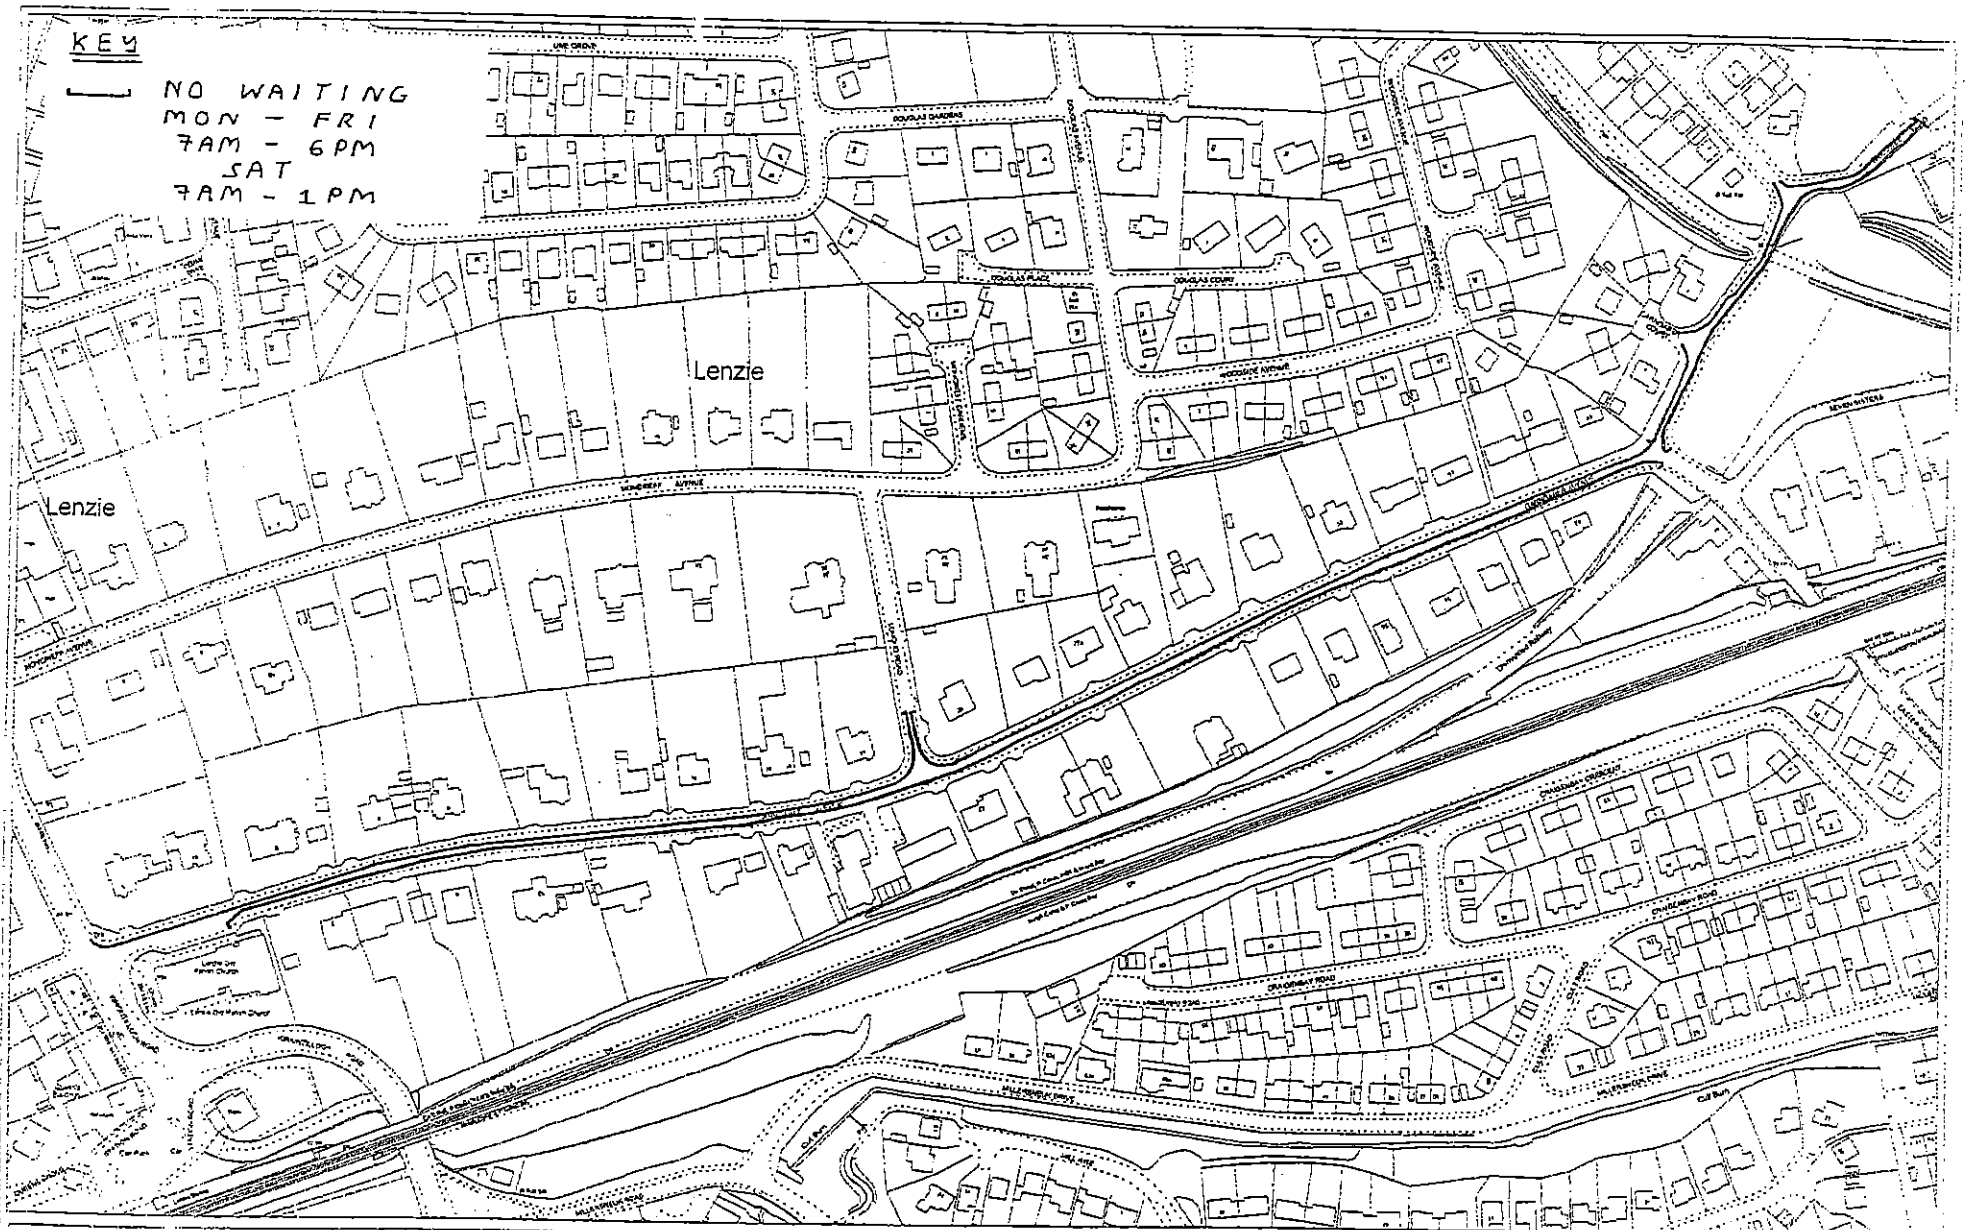

The restrictions will apply between 7.00am and 6.00pm from Monday to Friday and between 7.00am and 1.00pm on Saturdays.

If you require any further information please contact myself or Sandra Adams on 0141 578 8272.

Yours faithfully

**DUNCAN HAMILTON
KI PROJECT DIRECTOR**
