

**KIRKINTILLOCH LINK ROAD
CONSTRUCTION PHASE
RESIDENTS NEWSLETTER No. 6
26 NOVEMBER 2008**

Dear Resident

ROAD CLOSURE PROPOSED BY NORTH LANARKSHIRE COUNCIL

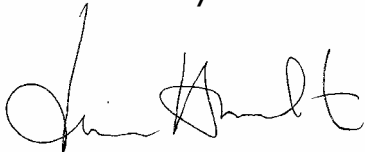

It has come to KI's attention that North Lanarkshire Council propose to close the B757 Stepps Road between Langmuirhead Road and Lenzie Road from 9.30am to 3.00pm for up to 5 days from Monday 1 December 2008. This closure is to allow safe working conditions for the replacement of road signs.

These works are not related to the Kirkintilloch Link Road however KI recognises that the accumulation of traffic management works in the area is a concern for local residents. We therefore felt it appropriate that we use the newsletter system to alert local residents to this issue.

A copy of the temporary restriction order is appended. This notice shows the area which is to be closed and details the diversion route.

I understand that North Lanarkshire Council will be doing everything in their power to do the work as quickly. If everything goes well there is a possibility of completing in as little as 2 days but this depends on a range of issues such as weather conditions, condition of existing signs etc. If you require any further information please contact North Lanarkshire Council directly.

Yours faithfully

**DUNCAN HAMILTON
KI PROJECT DIRECTOR**
