

**KIRKINTILLOCH LINK ROAD  
CONSTRUCTION PHASE  
RESIDENTS NEWSLETTER No. 33  
30 APRIL 2010**

Dear Resident

**EXTENSION OF TEMPORARY ROAD CLOSURE AT WOODILEE ROAD**

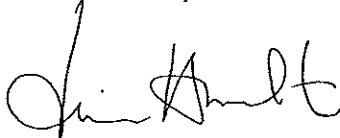

Further to our Newsletter Nos. 29 and 30 giving details of the construction of the new roundabout and traffic signal junction on Woodilee Road, we have been advised that the temporary road closure and temporary traffic signals required to carry out these essential works has been extended until 18:00 hrs on Sunday 9<sup>th</sup> May 2010.

This extension is required because the Contactor discovered shallow public utility services (gas and water) unexpectedly in the existing road. These services were not identified by the PU companies at the design stage. As a result the levels on the roundabout have had to be raised to accommodate them which have caused technical and constructional difficulties.

Please note that whilst the Woodilee Road temporary closure is in place, the proposed enlargement of the existing roundabout at the junction of New Lairdsland Road / Parliament Road at Townhead will not commence.

Please be assured that every effort is being taken to minimise inconvenience to local residents.
